Join us for Dinner: Our pre-meeting gathering place is Georgio's Pizza! If it fits your schedule and appetite, arrive about 6:00 pm to finish in time for our 7:30 meeting. Georgio's friendly staff offers perfect pizza and an assortment of delicious pastas. This is a great way to meet other members in a casual setting. Georgio's is located at 151 Clement Street in San Francisco (corner of Clement and Third – just one block off Geary Blvd a little over a mile west of our meeting location). It is a great help if you call Fred Wahl at (650) 759-4760 so we know how many tables to secure.
