Code and, therefore, has made no provision for Federal or California income taxes.

Contributors, donors, and grantors may obtain tax benefits. In addition, the

private foundation within the meaning of Section 509(a) of the Code. The Organization

adopted the recognition requirements for uncertain income tax positions as required

by generally accepted accounting principles, with no cumulative effect adjustment required.

Income tax benefits are recognized for income tax positions taken or expected

to be taken in a tax return, only when it is determined that the income tax position

will more-likely-than-not be sustained upon examination by taxing authorities.

The Organization has analyzed tax positions taken for filing with the Internal Revenue Service and all state jurisdictions where it operates. The Organization believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Organizations financial condition, results of operations, or cash flows. Accordingly, the Organization has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
